Profile

With a degree in business computing, I'm always on the lookout for new skills, and ready to put what I've learned at everyone's disposal.

Professional experience

March 2022 to September 2022

Awareness-raising follow-up officer at the National Commission to Combat the Proliferation of Small Arms and Light Weapons (NCCPS-ALW) || (COMNAT-ALPC).
Administration of questionnaires in national language (Sango) or in French to community leaders, local authorities (chefs quartiers, etc.).

Follow-up to sensitize leaders to the disadvantages of arms proliferation and motivate them to pass on the information.

From November 11, 2024 to February 11, 2025

Computer trainee at the Institut Centrafricaine de Recherche Agronomique (ICRA).

Reinforcement of knowledge on the organization of an IT department.

Occasional support to staff for simple office automation and IT tasks.

Attempted to carry out a project on "Setting up an automatic management system for hybrid agricultural tasks". "The project was unsuccessful due to a lack of technical resources.
